Disbursement Release for Federal Financial Aid Funds
2008/2009 Academic Year

Student Name (Print) _____

Student ID# _____

Federal regulations permit schools to automatically apply a student's Federal Title IV financial aid funds (Stafford Loans, Perkins Loans, SEOG and Pell Grants) to tuition, fees, room and board charges. In addition, with the student's authorization (or parent's authorization in the case of the PLUS Parent Loan), Title IV funds may be applied to a student's other cost-of-attendance charges which are billed by the College.

Please note that your decision regarding the use of federal financial aid funds will remain on file in the Office of Student Accounts, and that you may change it at any time by notifying us in writing.
